

Richard Conlin, President
Seattle City Council

Urban Agriculture Business Forum

September 19, 2011
4:00-6:00pm
Bertha Knight Landes Room, Seattle City Hall
600 4th Avenue

Do you wonder about permitting and zoning issues that affect urban food production?
Do you know that there are business services available to help “grow” your business?
Ever wonder how other small sectors have developed?

Connect with representatives from the Office of Economic Development, Department of Planning and Development, Department of Neighborhoods and the P-Patch Program, Seattle Department of Transportation, Public Health – Seattle & King County, and Washington State University Extension.

We will...

- Share information about city services and programs available to urban ag
- Share information about policies and regulations impacting urban ag
- Discuss development strategies used by other growing sectors citywide
- Strategize around the next steps needed for promoting urban agriculture and its unique needs

RSVP by Wednesday, September 14
